## semi-automatically packed

# WEBER Verpackungen – the bag makers

## Family business

not only factually  
but also felt

## Passion

we are united by our passion  
for flexible packaging

## About 200 employees

a team of qualified, creative  
and experienced people

## Innovative ideas

we have won the WorldStar Packaging  
Award with our bloom guard

## Located in Europe

in the heart of Wickede/Ruhr  
with good transport connection

## Our goal in mind

the success and satisfaction  
of our customers

## Over 125 years of experience

today, we no longer glue everything  
by hand, as in the past

## Highest quality standards

we produce packaging from paper,  
film and material compounds in accordance  
with strict quality specifications

## Sustainability

is the crucial basis  
of our actions

## Great service

we are not only fast and reliable,  
but we also advise you competently

## Approx. 25 trainees

we are "Excellent Training  
Company 2018"

## Another sales focus

we can also pack  
food perfectly
